

# BACK to SCHOOL 2024

at community partners of dallas

Remember the Joy of picking out your new school supplies?

At Community Partners of Dallas, our kids are not approaching the start of school with the same excitement and support. Many will go back to school wishing for a new backpack or uniform.

*They just want to fit in.*

This year we will provide backpacks filled with age appropriate school supplies and new uniforms to thousands of abused and neglected children.

*You can make a difference.*

## Organize a School Supply Drive

Office or department drives are a great way to get your co-workers involved, or hold a drive with any group of friends – your book club, professional association, Sunday School class, soccer team or scout troop – just to name a few!

## Donate

Donations may be delivered to CPD's Elmbrook facility or you can make a monetary donation, and we'll happily do the shopping for you. Because of our bulk purchasing, every \$1 donated is equal to \$6 worth of school supplies!

## Hold a Virtual Drive

We are able to create customized donation links so that companies or groups can participate collectively and raise money for an online drive.

*We ask that all supplies and donations be delivered to our Elmbrook location by Thursday, August 29, 2024.*

Thank you in advance for your help! Please contact Ashley Davis at [ashley@cpdtx.org](mailto:ashley@cpdtx.org) with any questions or to get more information regarding our drives and programs.

*Have a wonderful summer!*
